

LET US DEVELOP
YOUR FACILITY

CORPORATE & MULTI-TENANT

WITH A BETTER MOOD AND MORE ENERGY
COMES MORE PRODUCTIVITY

fitnessthings.com

The trend of corporate wellness and collective exercising at work is something that seems to be catching on in offices and multi-tenant complexes everywhere.

CORPORATE & MULTI-TENANT

INCREASE PRODUCTIVITY & RELIEVE STRESS

CONSULTING

EQUIPMENT

TRAINING

Fitness Things is the single-source solution for design, equipment, installation and service of fitness environments everywhere. Our “Best of Breed” equipment choices meet your specific demographic and employee needs, plus our contemporary workout designs combined with durable, brand-name and affordable machines are a hit with the workforce and with the CFO. Fitness Things is a corporate investment that pays off for everyone.

- Factory-direct competitive pricing
- Motivate your current employees and attract new ones
- Reduces healthcare costs by promoting a healthier work environment
- Offer employee discounts on home fitness equipment with automatic payroll deduction
- In-service training on proper usage of equipment and fitness center rules and best practices can be recorded for on-boarding new employees
